Looking Ahead:

Oct 4, 2014 Annual Lace Day at Sellwood Community Center

Oct 25, 2014 LPS Lace Day 525 4th Ave N, Kent, WA

Jun 18-21 2015 NW Lace Conference, Newberg, OR

Our meetings are the 1st Thurs. of the month, 10:00-12:00, at the Sellwood Community Center located on the corner of 15th and Spokane St. in Sellwood.

Minutes—October 2, 2014

Meeting was called to order by President Beverly Davis who informed us that Vendors for Lace Day will be Maria Provencher, Bobbin Bob, April Lind and Nance Evans will have lace for sale.

Everyone has paid for Maria's class. Muriel cannot attend, but does not want her money back so someone can come in her place to the class.

Last minute Lace Day plans. CJ will order and pick up the sandwiches. We will get three trays. Anyone can bring goodies to share.

Sherrie will do beginning tatting and Jean will help if needed.

Sylvia will not be attending so we will not have her class.

Alice has raffle tickets. Marilyn Wagner, Beryl and Lynda will help with the consignment table, marking items and pricing and help with the sales.

We need volunteers to cover the vendors so they can have a lunch break.

Demo at the German School will be on Nov 22nd 10-4 and 23rd 10-3.

Sherrie will fill in at the Willamette Center at the Mill on 2nd Saturday this month.

Marilyn Charles volunteered to take over sending demo information the Kathy Hensel to keep her informed from one person instead of many of us sending items

More discussion on future Lace Day location options. It was suggested that we offer \$300 to the Milwaukie Covenant church if we can get a sponsor who will oversee us. Marilyn's church was too crowded. The Milwaukie Center still remains an option though probably more than the \$300. We will continue to research.

Alice reported that the fiber arts group in Tillamook requested her to do a bobbin lace instruction day on the 21st of November. Several of us will go along to help out.

We have had some interest from the Astoria group to do bobbin lace. We have in the past but have nothing scheduled as yet with them.

Next meeting will be election of officers.

December will be the Potluck and Installation of Officers.

Since the first Thursday of 2015 is also on the 1st of January we will have our meeting on the 2nd Thursday, January 8th.

Jackie send around pictures from the OIDFA meeting in Australia this year.

Jackie also reported the following for NW Conference. The next official meeting will not be necessary until March or April of 2015. (Continued next Column)

Minutes 10/2/14 Continued ———

The scissors have arrived from Australia that Elena was able to get at a very good price. Since they have a blade shield that comes off, we will be making an lanyard to connect the two together to make it easy to keep them as a set. It takes about 30 size 6 beads and five yards of size 20 thread in any color. The pattern will be distributed at a future meeting. A sample was passed around. These are tatting so we will need our tatters to join in to make them.

Does anyone have any ideas for Saturday activities? We have Allie to do a demo on attaching lace by machine. What else would you like to see or do? Let Jackie know your ideas.

The banquet will be a buffet. It will cost \$28 for a guest. We will have helpers for anyone not able to go through the line on their own.

Marilyn Charles brought up that the Flock & Fiber weekend was too much to spend both days making lace all day. It might be better to sign up for certain times so you can attend without committing to so much time.

Meeting was adjourned,

Respectfully Submitted

Jean Reeves, Secretary

Work at the Sellwood Center was not completed so we did not have a meeting in November.

The slate of officers was sent via e-mail to everyone providing an e-mail address (even those who do not get the newsletter via e-mail) repeating the slate of officers and any dissenting votes could respond to the committee chair, Lynda Libby.

Lace in Tillamook -

Alice led a beginning bobbin lace class in Tillamook on Oct. 21st and Beverly Davis, Opal Shimmin, Jackie Nissen, and I (Jean) accompanied her. She had a great red and green strip of lace that could be twisted around a pencil and hung on the tree. It didn't matter how far they got as it worked with a couple of twists or many. We all had a great time and I think the students did too. Some were ready to go on to make more lace and some were glad this was their only piece. Thanks Alice for helping to spread lace in the world. I hope we can do this again sometime.

Any questions, pictures of your work etc. can be sent to Kathy Hensel for posting. kathyhensel@yahoo.com

Be sure to check our web page and please contribute finished items for the Gallery. We want a variety of items to show the world what we do.

Remember to check out the Conference web page. A link is on our home page. Lynda Libby has put up many of the butterflies we have turned in to Alice. Please keep them coming and she will put up more.

Recently Alice, Opal and I (Jean) got to go to the Time Traveler's Faire in Hillsboro. This was a chance to wear a costume of any era. While Opal and I stayed with our Civil War costumes we wear to Champoeg, Alice got out her Renaissance costume. We had a great time and hope to get invited back next year.

Opal hard at work on her Bruge project.

Alice with her lace ladies and in full costume.

See how smart I am? I was running the camera so I didn't have to smile.

Remember—every 2nd Saturday at the mill 10 am to noon is an opportunity to share our lace addiction.

Maria's Class held around Lace Day was another success this year. There were seven in attendance. Some doing Bruge and some of us working on Schneeberger. As always a good time had by all and much accomplished.

Opal finished her projects—one from Convention (colored flowers)

and one from Maria's Class in traditional white.

Jackie finished her projects too. She did several and in color.

Good work both of you ---

Themed Raffle day. It was suggested that we do a **Conference Theme Raffle Day** on Friday and raffle only items that include butterflies and rainbows

Continuing conference publicity

A number of emails were sent out the week of Oct 20th or so. I got a number of positive responses and questions. Question: What are the am classes vs pm classes—response: Classes are full day. Great for smaller amount of homework
Question: Airport pick up ?—response: Hopefully we can arrange courtesy pickups with people driving to the conference.
Dave N will also volunteer to drive groups down.

Contacts to various lace groups:

Pauline contacted the following:

IOLI, Canadian Lacemaker Gazette, Paula Harten

Leann Contacted Thread magazine and got a schedule for purchasing an ad at a reduced rate.

Jean contacted Handy Hands

Alice and other Arachne members, please pass on conference information as appropriate.

Favors

I have bags with 10 lanyard hooks for the tatters making scissor fobs for the mini scissors. See me for as many as you might need. If anyone is working on favors, please let me know. I am trying to make sure each item is identified with the name of the person(s) donating the items.

Next Meeting

Next meeting will be scheduled Saturday afternoon, April 25 following lace in McMinnville. From 1:30 to 4:00. The purpose of the meeting is to put together goodie bags with items that we have. There will be additional goodies which will be added to bags Wednesday June 17 when we hand out the bags.

We will need to have a small group meeting around June 10 to put together registration information.

Champoeg is a lot of fun. Kelli Slack took pictures last time we went — Shirley and I got dressed at the McMinnville meeting and showed off our costumes. Then we traveled to Newburg and picked up Opal —

Marilyn Charles joined us there. We had a great time. We forgot to turn the camera on Kelli. She had a great authentic costume she made too.

Kelli made wedding garters. One to wear and one to throw

Alice made a collar - well, she calls it a half-collar. I like it that way. Nothing to get wrinkled up in the back.

I finished my Hinojose Butterfly I started at IOLI. I tried to make each side match the other, but don't count circles, it didn't work.

Still, it was a fun project and I hope to make some more of this kind of lace.
