Meeting Minutes 8/6/2015

Meeting called to order by Vice President Jackie Nissen. Beverly was present, but not feeling well. We had 16 in attendance in Marilyn Barnes' back yard. It was a beautiful day and special thank you to Marilyn for hosting again.

Treasurer Pauline informed us that we cleared approximately \$9,000 on our NW Conference. Due to computer troubles she did not have a detailed report. She will need to re-enter information from all the bills, receipts, etc. and will be back on track next month.

We did a review of the Demos with the following changes. Minutes indicated Clark County Fair as an option, but this did not happen as no one contacted us or we them.

Add to printed list Champoeg on Saturday 8/29 from 1-4pm. Costume required.

It was noted that you can get an appraisal of an item for \$5.00 at the Treasures in the Attic demo day 9/19.

Lace Day—Oct 3, 2015. Trudy of Lacy Susan will be our main vendor. Pauline will pick her up at the airport and host for her stay.

Jackie suggests that we get a basket and between now and Lace Day we can drop items in that we no longer want. Instead of a raffle, we will again do the very popular "straw-draw." Sandra will chair this activity. Plan to help out if you can.

We will have a bobbin lace and tatting table for beginners.

Elena has offered to teach a class in Filet Lace. Sign-up at the entry table. Limit of 12. She will prepare the netting on a cardboard frame so that any unfinished items can be taken home to finish. Also, less waste of expensive netting if you don't have to clamp into a hoop.

Alice announced that she will have a display in Tillamook at the Latimer Quilt and Textile Center for the months of November and December. Her tablecloth is coming along and she will leave one block on a pillow half worked and display the rest so the process will be understood.

Sylvia said that she had a great success with a class on-line and will do again as she had so many respond.

Jackie announced that Kim Davis will be doing a class called Braiding and Narrow Weaves Conference to be held from July 24-30, 2016 in Tacoma, Washington. Info will be printed in the newsletter. Her wire lace class was a great success at NW Conference.

Respectfully submitted,
Jean Reeves filling in for Shelley

After the meeting we discussed moving our annual picnic to August since the Sellwood Community Center has an annual shut-down for maintenance. We will discuss this at a future meeting.

Respectfully Submitted, Jean Reeves for Shelley Hammer

9/12/15 McLaughlin House Bobbin Lace

We hope to have as many members with Demo Pillows as possible for guests to try as our Tatting Demo guests on 8/8/15 seemed to expect a "class" tutorial rather than a demo so they could try their hands at this craft.

Shelley and Pauline will bring canopies.

Marilyn Charles sent around a sign-up sheet for attendance.

We plan to have Lace Day fliers prepared to hand out to visitors.

Whew! The County and State Fairs are all over now. We did a lot of running and lace demos these past two months.

We had classes at the McLaughlin House. First we did tatting and had a lot of people come by and a few tried and some even left with real tatting pieces.

The bobbin lace class was not attended. Maybe the wrong weekend for everyone? Anyway, the staff at McLaughlin learned bobbin lace. Several had small bookmarks when we left.

=====

Speaking of Fair Demo—Elena had two students who learned a bit of knotted lace at the Yamhill

County Fair and then came to our Last Saturday in McMinnville. Always nice to see the young ones interested in lace.

Kim Davis asked that we pass along this information.

I am teaching at an event called Braids, Bands, & Beyond in your area next summer. There will be two bobbin lace instructors there. I will do a wire lace class and a presentation on early bobbin lace. Junko Samejima has many years of experience and will teach a new approach to torchon lace designed to create complex geometric designs with a reduced number of bobbins.

Conference is July 24-30, 2016 in Tacoma, WA on the campus of the University of Puget Sound. For further details, check Braids 2016 Facebook page, or contact - Giovanna Imperia; giovannaimperia@mac.com or - Robyn Spady; robyn@spadystudios.com

Tatting Quarterly this time is a class exploring some unusual techniques with Jessica Spaulding —

- Covering a rhinestone chain with tatting.
- Beads in the middle of split rings
- Beads between split rings
- Xs and Os - Encapsulated split rings
- Making a fabric out of the Xs and Os pattern
- Fused chains

Picture is a purse made by Jessica. Beaded strap will be added.

In short, we will have some real brain teasers for the experienced tatters, but don't give up if you only know split rings. There will be plenty you can do too. We can use large thread and take our time.

At our picnic at Marilyn's, Alice brought her tablecloth to work on. This has been a long project, but she has stuck to it and now it is almost finished.

This will be included in her display at the Tillamook Latimer Quilt and Textile Center during the months of November and December 2015. There will be one block left on a pillow to show how the project was done and the rest assembled.

←Close up of a finished corner.

Very pretty Alice.
